Privacy Policy

Introduction

Phundit ("we," "us," or "our") respects your privacy and is committed to protecting it through our compliance with this Privacy Policy. This Privacy Policy describes our practices regarding the collection, use, disclosure, and protection of personal information when you use our Phundit mobile application (the "App"). By using the App, you agree to the collection and use of your personal information in accordance with this Privacy Policy.

Information Collection

While using the App, we may ask you to provide us with certain personal information that can be used to identify or contact you. This information may include, but is not limited to:

1. Name
2. Date of birth
3. Email address
4. Phone number
5. Password

Information Use

We use the personal information collected through the App for various purposes, such as:

1. To provide and maintain the App and its features
2. To personalize and improve your experience with the App
3. To provide customer support and respond to your inquiries
4. To monitor and analyze the usage of the App for technical administration and improvements
5. To send you notifications, alerts, and updates related to the App, if you have opted in to receive such communications
6. To detect, prevent, and address technical issues

Information Sharing

We may share your personal information with third-party service providers who perform services on our behalf, such as analytics providers and customer support providers. These third parties are contractually obligated to protect your personal information and use it only for the purposes for which it was disclosed, in accordance with this Privacy Policy.

Security

We take the security of your personal information seriously and use reasonable technical and organizational measures to protect it from unauthorized access, loss, misuse, or alteration. However, no method of transmission over the internet or electronic storage is completely secure, and we cannot guarantee the absolute security of your personal information.

Children's Privacy

The App is not directed at children under the age of 13, and we do not knowingly collect personal information from children under 13. If we become aware that we have collected personal information from a child under the age of 13, we will promptly delete such information from our records. If you are a parent or guardian and believe that your child has provided us with personal information, please contact us at admin@phundit.app.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the updated Privacy Policy within the App or on our website. It is your responsibility to review this Privacy Policy periodically for any changes. Your continued use of the App after the posting of the updated Privacy Policy constitutes your acceptance of the modified Privacy Policy.

Third-Party Services

The App may use third-party services, such as Google Play Services and Google Analytics for Firebase, that may collect information used to identify you. Please refer to the privacy policies of these third-party services for more information on their data collection practices.

Contact Information

If you have any questions or concerns about this Privacy Policy or our privacy practices, please contact us at admin@phundit.app.
